

OVERVIEW

The Pathway at Miller Street Dance Academy has been designed as a response to our community needs due to COVID-19. More children will be making the switch to remote learning for the 2020-2021 school year and are in need of a safe and clean learning environment that provides a space for independent learning, as well as safe social interaction.

Led by MSDA Staff, The Pathway will provide an opportunity for students to complete their required remote learning, as well as participate in special workshops, projects, and dance classes. Each learning space will have a mentor to monitor children through their day.

The Pathway is offered on a full day monthly program, in order to fit their remote learning requirements outlined by their school.

The Pathway at Miller Street does NOT supply snacks or lunches. All food must be brought with the student at the beginning of the day. Please plan to send 2 snacks and a lunch each day.
