CLASS DESCRIPTIONS

Acro is a 45-minute class for students 6 to 18 years old. This is an acrobatic style class that teaches floor gymnastics. Acro is a class that progresses from forward rolls and cartwheels to advanced tumbling, including aerial work. Teachers work with each student on their individual level. This class also focuses on flexibility, agility, and teamwork. All students taking this class must participate in recital due to tricks and partner work.

<u>Aerial / Back Handspring & Conditioning</u> is designed for students who are already close to completing an aerial and/or back handspring, or for students who want to continue to master these tricks. To take this class, students must have front and back walkovers with no spotter. There is no recital for this class. Please see office for enrollment.

Broadway Heels is a 30-minute class and offered to students 9 to 18 years old. This class is for the dancer who is interested in taking jazz technique to the next level, concentrating on teaching students to dance smoothly in character shoes "heels" (used in musicals and Broadway shows), and is perfect for the dancer who wants to pursue musical theater.

Combo is a 45-minute class for students 2 ½ to 6 ½ years old. This class teaches the fundamentals of tap and ballet. Students will begin with tap and finish with ballet. Students should arrive in class with tap shoes on. Teachers will assist young dancers with shoe changes. All students in younger combo classes must be potty-trained.

<u>Hip Hop/Funk</u> is a 30-minute or 45-minute class offered to students 7 to 18 years old. Hip Hop is an upbeat style of dance performed to popular music. Although Hip Hop's roots came from urban street dancing, it has become increasingly popular in the entertainment world. Funk dancing is the perfect fusion of styles, incorporating jazz roots into a melting pot of Hip Hop, break, popping & locking, along with other fashionable dance genre.

<u>Jazz</u> is a 45-minute class offered to students 9 to 18 years old. Jazz is a style of dance that is structured in technique while taking many shapes and forms. It can be performed to a vast variety of style music from Broadway to pop.

Jazz & Tumble is a 45-minute class for students 3 to 6 years old. This class will be a combination of first tumbling with various beginner acrobatic skills followed by an upbeat jazz/hip hop class. They will have no recital dance for tumbling. They will perform a jazz dance in recital.

Jazz/Hip Hop is a 30-minute or 45-minute class for offered to students 5 to 18 years old. This class combines the upbeat dancing style of hip-hop with the technique of jazz. All music selections and dance moves are age appropriate.

Lyrical/Contemporary is a 30-minute or a 45-minute class for students 7 to 18 years old. Lyrical dance is a fusion of ballet & jazz dance techniques that uses dramatic motion to interpret music and express emotion. Contemporary dance is a style of expressive dance that combines elements of several dance genres including Modern, Jazz, Lyrical & Ballet.

<u>Mommy & Me</u> is a 45-minute class structured to stimulate coordination skills, listening skills, balance, music interpretation, creative movement and motor development in the youngest dancers, ages 1.5-3 years. This program is an excellent introduction to the world of dance and lots of fun for Mom and dancer! Moms will wear dance clothes (yoga pants/top/comfortable shoes) and participate in the class. We will have two sessions - one in the Fall (August-December) and one in the Spring (January-May). Mommy & Me class does not participate in recital.

<u>Modern</u> is a 45-minute class for students 11 to 18 years old. Modern dance incorporates movement from the techniques of Ballet, Cunningham, Graham, Horton and Limon to engage and strengthen your core muscles. Modern class is meant to increase flexibility and bring a sense of connection between your mind and body.

<u>Musical Theater</u> is a 30-minute class for students 6 to 10 years old, which incorporates a combination of Jazz and acting. With this style of dance, you are working through Jazz technique while portraying a character. Using songs from Broadway, we focus on bringing out our inner actor/actress!

Pre-Ballet I & Ballet is a class for ages 6 & up. This class is divided into 6 levels (Pre-Ballet I to Ballet V) and students are placed by skill level. (*Younger students are encouraged to take a Combo Tap/Ballet class*). New students please contact the office for evaluation appointment for levels II-V.

<u>Pointe/Pre-Pointe</u> is a class wherein the ballet dancer supports all their body weight on the tips of fully extended feet. Dancing en pointe makes the dancer appear weightless and sylph like; this is done by wearing special box toed pointe shoes. Students are recommended for pointe based on age and ability. A minimum of **two regular ballet** classes must be attended to dance en pointe, one of which must be the ballet class directly before prepointe or pointe. There is no recital for Pre-Pointe classes.

Tap is a 30-minute or a 45-minute class that is offered for students 6 to 18 years old. This is a percussive style of dancing. Its name comes from the tapping sound made when the metal plates on the dancer's shoes touches a hard surface. (Younger students are encouraged to take a combination class, see Combo.)

Tumbling is a 30-minute class for students 3 to 6 years old. This class teaches the basics of floor tumbling including forward rolls, back bends, cartwheels and fundamental acrobatic strengthening and coordinating skills. There is no recital for Tumbling classes.

ADVANCED & SUMMER CLASSES

Competition Team

MSDA has been a leader in dance education since 1994. We believe that our success comes as a result of providing solid training and quality service, along with an underlying belief in the strength of our organization. Here at MSDA we have mini, petite, junior, and senior dance teams that are all regionally and nationally ranked. Our dancers display technical excellence as well as sportsmanship and camaraderie. If you are interested in finding out more information on our teams or how to try out, please stop by the Studio Office.

Technique Classes

Summer Technique Classes are for ages 5 and up. These classes are similar to regular season classes and include dance styles such as tap, ballet, jazz, hip hop, lyrical, musical theater, and acrobatics. Summer technique classes are on a pay-per-class basis and there is no registration fee or recital. Students can purchase tickets or a summer pass to be used for any desired class on any day that is in their age level. Summer passes are good for all classes, except Miss Dance Prep and Ballet Intensives. These are a great way to continue dance through the summer and increase technical skills. Please visit our website for details.

Summer Camps

MSDA offers themed dance camp for ages 3 to 12 during the summer. Camps for ages 3-8 are four days long and include activities such as tumbling, face painting, arts & crafts, puppet shows, and much more! Check out our website for our fun-filled themes or contact the office for dates.

Mission Statement

MSDA prides itself on its ballet program. All students, beginner through advanced, receive hands on instruction from teachers who are enthusiastic and use age appropriate techniques to impart a love for the discipline of this timeless art form. The curriculum uses elements from the Vaganova, Royal Academy, and Balanchine methods to emphasize technique, alignment, and musicality.

Ballet Levels

(Pre-Ballet I/Ballet I-V/ Pre-Pointe/ Pointe) At each age appropriate level, the curriculum teaches the fundamentals of classical ballet. Students benefit from the development of coordination, muscle strength, motor and listening skills along with the musical and spatial awareness that ballet offers. Six year-olds who have completed 5.5-6.5 combo or young 7 year-olds who might need an easier transition to our Ballet program, should register for Pre-Ballet I. Students age 7+ should register for Ballet I. Recommended Ballet levels II-V placements will be posted on the skills tab in the customer portal for all returning students. It is expected for a student to remain more than one year in a ballet level. New students will be evaluated for placement. Please contact the office to inquire about any placement questions. All students taking Pre-Pointe or Pointe must be in **two Ballet classes**, not inclusive of the Pointe class. One of these Ballet classes must precede the Pre-Pointe or Pointe class.

Students new to the Pre-Pointe classes are encouraged to take Pre-Pointe Intensives offered during the summer. Please see our website for dates and other details.

Class Attire

Service Society

You are formally invited to join the Miller Street Dance Academy Service Society.

MSDA is committed to community service. We feel that a mixture of strong dance technique, good grades, and service to our community will build self-esteem among our dancers. A very small percent of our students will make dance a career, but 100% will go on to become citizens.

There are many ways to participate in our Service Society.

- Purchase Bands for Liberia
- Donate to our Current Projects
- Sponsor a Service Project

Any Miller Street dancer can be a member of the Service Society. All you need is an open mind, an open heart, and open hands. Please see the Service Society page of our website for more details including project applications and current projects you can contribute to.

Bands for Liberia

You may see many dancers wearing a pink MSDA band. Our goal is to raise \$1 Million dollars by selling these pink bracelets for \$1.00 with the proceeds benefiting an orphanage in Liberia.

Dancers Against Cancer

The Dancers Against Cancer (DAC) Foundation is a non-profit organization whose mission is to create an alliance in the dance community that provides financial support and inspiration to dance educators, choreographers, dancers and their families who have been impacted by cancer. Our very own Miss Michelle is a DAC Ambassador. This allows her the opportunity to travel the country raising cancer awareness and funds for DAC. MSDA is a proud DAC dance studio.

Homework Area

MSDA offers a student homework and study area. We would love all our dancers to make the Honorable Dancer roll (see below.) Food is allowed in the homework area with some exceptions. Students, parents, and third parties are prohibited from bringing food products containing nuts of any kind onto the premises of MSDA. MSDA cannot, however, guarantee that our premises will be free from allergens of any kind, including but not limited to food products containing nuts. We do ask that you be mindful of those students who use this space for school studies. Please see page 11 for details.

Honorable Dancers

MSDA recognizes the scholastic achievement of students that turn in report cards with all A's and B's. Students are recognized at the end of the year and will receive a medal for their achievement. Stop by the office and turn in a copy of your report card (this can be any report card received during the school year) to become a MSDA Honorable Dancer!

Class Schedule

For the most updated version of our class schedule please visit millerstreetdanceacademy.com and click on "Providence Road Location" tab on Home page and "Registration."

Schedule Changes

- 1. <u>Class Changes:</u> A student may drop and add classes depending on availability. To ensure proper costume orders class changes will not be allowed after November 7, 2020. Dancers wishing to change classes after then (but before January 9, 2021) must have the instructor's permission <u>and</u> must possibly purchase an additional costume. Private lessons may be required for late registrants; this will be at the teacher's discretion.
- 2. <u>Withdrawals:</u> To withdraw a student from any MSDA class, you must notify the studio office and complete a Withdrawal Form. Failure to attend classes does not constitute a withdrawal. Students and their parents/guardians are responsible for giving at least 30 days' written notice of withdrawal, paying tuition and other fees incurred during this timeframe, and continuing to comply with the Handbook policy on payment and pick-up of costumes. MSDA will refund unused recital fees for withdrawals prior to February 28, 2021, and refund tuition payments for classes beyond the 30-day notice period (subject to MSDA's right to offset against outstanding unpaid balances), but no costume fees, competition fees, or other fees will be refunded. If a costume has been purchased for any withdrawn class and the student moves out of town, there is a \$15 shipping fee per costume.
- 3. <u>Waitlist Policy</u>: Students desiring placement in a full class will be placed on a waitlist. It is the studio's discretion to fill available spots. To be put on a waitlist, please log into your parent portal (if you are an enrolled student) or go to the registration page of the website (if you are not currently enrolled in our database) and click the word "Waitlist" for the full class that you would like to waitlist your dancer. While a credit card is required to create your account and be placed on the waitlist, your card will not be charged unless a spot becomes available and we have confirmed your dancer's enrollment and registration.

Student Class Placement

- <u>Age Groups</u>: All classes (except Ballet I-V) are based on the student's age as of September 30th, no exceptions. A student may select a class in a younger age group but may not choose a class in an older age group. The instructors have the final say as to which class(es) students are placed.
- Pre-Ballet I: Pre-Ballet I is for dancers 6 years old or young 7 year-olds. It is designed to prepare dancers transitioning from 5.5-6.5 Combo to our Ballet program. If you are unsure of whether your dancer should attend Pre-Ballet I or Ballet I, please call or email the office or email your dancer's current instructor.
- 3. <u>Ballet I-V:</u> Ballet I-V is for dancers 7 years old and up. Ballet levels are based on skill set and not age. Recommended Ballet level placements will be posted on the skills tab in the parent portal for all returning students. It is expected for a student to remain more than one year in a ballet level. New students will be evaluated for placement (please call our office for evaluation time). See page 6 for more information on our Ballet program.

STUDIO POLICIES

Photography Release

MSDA uses photographs and videos of its own dancers in its marketing and promotional materials. However, MSDA will not include names of any dancers under the age of 18 beside a photograph or video unless specific permission from a parent/guardian has been obtained. You are granting MSDA full permission to take, use, reproduce, and publish photographic, video, and digital images of your student (collectively, "Images") for MSDA marketing and promotional purposes during and after the student's participation in MSDA programs. Further, you acknowledge that MSDA shall be the exclusive owner of all rights, including copyright, in the Images, and you irrevocably transfer, assign, and otherwise convey to MSDA your entire right, title, and interest, if any, in and to the Images and all copyrights and other intellectual property rights in the Images.

IF YOU WISH TO OPT OUT: If you do not wish to have photographs or videos of your student(s) used in marketing and promotional materials by MSDA or otherwise want this Photography and Video Release to not apply to your student(s), you must indicate that you are opting out in the appropriate online box. Specifically, new registrants must type "I OPT OUT" in the appropriate box on the Web Registration Form. Current families must log into their portal, go to the My Account tab, and type "I OPT OUT" in the appropriate box.

Medications/Devices and Medical Insurance

1. All students with an emergency medication/device must comply with the following requirements:

- The medication/device must be placed in a closed plastic baggie clearly labeled with the student's name and easy to understand written instructions concerning when/under what circumstances the medication/device should be used and how it should be used. The instructions in the baggie also must include the name and telephone number for two emergency medical contacts.
- Students with a medication/device are required to bring the baggie to and from MSDA activities and, at all times while at MSDA, to keep the baggie in a gear bag on their person or, during classes, in the classroom.
- 2. MSDA does not carry medical insurance for its students.
- 3. MSDA does not render medical care, including medical diagnosis or treatment, to students or others, and any assistance MSDA staff may offer to students will be limited to responding to an emergency.

Preparing for Class

- 1. Dancers are to enter the dance studio fully dressed for class with their hair properly pulled back (bun for Ballet) and proper dance shoes on. Please do not wear street shoes into dance rooms. Dance bags may be brought into the room or left in the cubby area of the girls changing room.
- 2. Combo classes (preschool through 6 years old) will need to have their tap shoes on each week when entering class. Please put ballet shoes in a dance bag that they will bring into class with them. Put your child's name on shoes and bag. The teachers will help dancers change shoes in the middle of the class.
- 3. Please be sure all cell phones and electronic devices left in dancer's bags have their ringers and sounds set to silent.

What to Expect Your First Week

- 1. The halls are very crowded the first few weeks of classes. This will settle down after the first few weeks.
- 2. There is a lot of switching around of classes as parents are trying to get settled in the new schedule of the year. Please be patient. Classes often have to change at the same time, so that dancers can go to the different subjects they are taking.
- 3. Like school, the first few weeks of class are review. This allows everyone to get comfortable with new classes and new teachers. Also, teachers can evaluate students to be sure they are in the correct class.
- 4. If dancers have been placed into classes that are not correct for them –Don't worry we will find a more suitable class!
- 5. Parking is the #1 complaint with parents in dance schools around the nation. This is something that can't be helped. Please be careful and watch for children!
- 6. It is best to get your dancer in class on time, ready to dance.
- 7. Please keep the hallways clear; dancers will be walked out into the main lobby area for pick up.
- 8. The youngest dancers will often have tears or anxiety the first few weeks. This is normal. The teachers are trained to get children "on task" quickly. It is not uncommon to have a few dancers on a few hips the first month of class! The best way to ensure success is for parents to assure them they are going to have fun. Leave as quickly as possible and make sure the door is closed. Please keep noise down in the hallways and don't let siblings open or knock on the door. This will distract the dancers.
- 9. Please have all dancers use the bathroom before class. Teachers will gladly take them if they do need to go during class, but this can be a disruption. All young combo students must be potty-trained.

Always stop in the office if you have questions or concerns.

Every staff member wants your MSDA experience to be positive and rewarding.

Recital Fees

- <u>Recital Fee:</u> The annual recital fee of \$65 for the first student plus \$30 for each additional student is due February 1, 2021. The recital fee includes a link to recital video, covers the cost of the auditorium and allows students to invite as many guests as they like by eliminating ticket sales. If your dancer withdraws from classes after February 28, 2021, the recital fee will not be refunded.
- Opting Out of Recital: students must participate in recital for all classes or not participate in the recital at all. Students cannot pick and choose particular classes for recital. Students and parents are responsible for informing MSDA in writing no later than October 31, 2020, if a student is not going to participate in recital. Notice must be provided directly to Ms. Michelle. Students enrolled in Acro classes must participate in recital.
- 3. **Dates:** Please see page 4 for dress rehearsal and recital dates.

Costumes

- 1. <u>Costume Fees:</u> Costume amounts are approximate and subject to change. Changes in a student's schedule can result in a change of costume and costume fees. Costume amount includes costume, tights, and tax. NOTE if your dancer does not have the correct tights at recital or they tear their tights, we will replace them and charge to the card on file.
 - a. Combo classes will perform both tap and ballet numbers in the recital but will have only one costume. Exception is the 2.5-3.5 Combo, which will only perform a ballet number.
 - b. Tumbling for ages 3 to 6, Mommy & Me, Acting & Vocal, and Pre-Pointe classes will not participate in the recital and will not have a costume fee. Jazz & Tumble will have a jazz costume for recital.
 - c. Male dancers in co-ed classes will not have a costume ordered or billed. The teacher will discuss with the dancer's parents what attire is to be worn for the performance.
 - d. All other classes will have one costume per class.
 - e. Class drop/adds after November 7, 2020, will result in purchasing an additional costume for the new class(es). Dancers who wish to change classes after that date must have instructor permission.

FAQ's

- 1. How long are the recital performances? Each performance will be 1.5-2 hrs.
- 2. Will my dancer get to sit in the audience once her/his dance is finished?

For general safety reasons, we insist that all performers are to remain backstage during both the dress rehearsal and recital performances. We have plenty of staff backstage to keep your dancers entertained while they wait for their dance.

- 3. What if my dancer is in more than one dance? We have great backstage help that will assist your dancer with her costume changes while you relax and enjoy the show.
- 4. Does my dancer have to wear makeup to dress rehearsal Your dancer does not have to wear makeup to dress rehearsal, however, we do recommend some makeup for the recital, though so the stage lighting does not make dancers appear "washed out."
- 5. Will there be someone taking pictures of my dancer during the rehearsal and recital? We do not hire a professional photographer to take pictures

during the show; you are welcome to take pictures of your dancers from your seat only; however, flash photography is not permitted during the performances.

6. Does my dancer get a trophy? Yes! All dancers that participate in recital receive a trophy as they exit with their class at recital! Limit one per dancer.

Miller Street Dance Academy Student Guidelines During COVID-19 Pandemic Effective June 1, 2020

As we reopen our studio, we have developed guidelines to support the health and safety of our dancers, their families, and our staff. All dancers and their parents/guardians must carefully review these guidelines before returning to the studio. Further, all dancers and their families must comply with these guidelines while participating in any in-person classes, lessons, camps, recitals, competitions, or other in-person programs or events.

These guidelines are effective as of the date above and will remain in place until further notice. Please be prepared for modifications to these guidelines as the COVID-19 situation evolves and new information becomes available. Updated guidelines will be provided by email communication and will indicate when they become effective.

- Dancers must stay home if they are sick or experiencing symptoms which could indicate COVID-19 infection. The current CDC list of COVID-19 symptoms includes fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, and diarrhea. Parents and guardians also should be aware of a newly-identified illness called Multisystem Inflammatory Syndrome in Children which is associated with COVID-19 and, according to the CDC, has the following symptoms: fever, abdominal pain, vomiting, diarrhea, neck pain, rash, bloodshot eyes, and feeling extra tired.
- Parents/guardians must notify Miss Michelle as soon as feasible if their dancer has tested positive for COVID-19 or is presumed positive by a medical professional due to symptoms. Dancers who have tested positive or are presumed positive for COVID-19 may not attend in-person classes, programs, or events until they have received clearance to return from their physician and Miss Michelle.
- 3. Dancers who have not been diagnosed with COVID-19, but who have a fever or other COVID-19 symptoms may not attend in-person classes, programs, or events until they have been free of fever and other symptoms for at least 72 hours (without the use of fever-reducing medications) and cleared to return by a medical provider.
- 4. Parents/guardians must notify Miss Michelle as soon as feasible if their dancer has been exposed to an individual with a confirmed or suspected case of COVID-19. In this situation, dancers will be required to attend Zoom classes for a period of at least fourteen days before returning to in-person classes or attending other in-person programs or events.
- 5. Dancers are required to stop at the check-in table for a temperature screening each day prior to participating in the dancer's first class or program. Dancers will not be permitted to enter the studio without first passing a temperature screening.

- 6. Dancers must practice social distancing as much as possible by staying at least six feet from others. Social distancing will apply inside the studio (while waiting for class and during class) and outside the studio (while in line for temperature screening and during pick-up). Adults and siblings dropping off and picking up dancers are also expected to abide by social distancing. While we cannot guarantee that social distancing will occur at all times (and obviously it cannot occur during emergencies, such as tornado warnings, when other priorities take precedence), the more dancers, family members, and staff can social distance, the safer we all will be.
- 7. We strongly recommend that dancers wear a cloth face covering inside and outside the studio. Dancers are responsible for their own face coverings. Parents/guardians should ensure proper fit and speak with their dancer prior to class to provide instructions on how to use the face covering in the studio. Miller Street staff will be able to verbally instruct dancers on face covering use but will not be able to adjust them for dancers. During class, dancers who are wearing face coverings will be instructed to pull the mask below the chin so that it hangs on the neck until it is time to pull it back up at the end of class (the teacher will model what to do with her own face covering). Dancers should select a style of face covering that can be hung around the neck when not in use.
- 8. Dancers must bring their own water bottles to each class. Water fountains may only be used to fill water bottles. Dancers will not be able to drink directly from water fountains.
- 9. Dancers are expected to follow good hygiene and respiratory etiquette. Specifically, dancers must cough or sneeze into the elbow or into a tissue (and discard used tissues immediately). Dancers also must wash hands frequently (at least 20 seconds with soap and warm water), particularly after coughing, sneezing, blowing their nose, using the bathroom, or being in contact with high-touch surfaces. Dancers should avoid touching their eyes, nose, and mouth with unwashed hands. When hand washing is not available, dancers should use hand sanitizer (available at the temperature screening station, in the lobby, and at all exterior doors).

Parents, guardians, or dancers with questions about these guidelines should contact Miss Michelle at missmichelle@millerstreetdanceacademy.com.
