CLASS DESCRIPTIONS

Acro is a 45-minute class for students 6 to 18 years old. This is an acrobatic style class that teaches floor gymnastics. Acro is a class that progresses from forward rolls and cartwheels to advanced tumbling, including aerial work. Teachers work with each student on their individual level. This class also focuses on flexibility, agility, and teamwork. **All students taking this class must participate in recital due to tricks and partner work.**

Broadway Heels is a 30-minute class and is offered to students 9 to 18 years old. This class is for the dancer who is interested in taking jazz technique to the next level, concentrating on learning to dance smoothly in character shoes "heels" (used in musicals and Broadway shows), and is perfect for the dancer who wants to pursue musical theater.

Combo is a 45-minute class for students 2 ½ to 6 ½ years old. This class teaches the fundamentals of tap and ballet. Students will begin with tap and finish with ballet. Students should arrive in class with tap shoes on. Teachers will assist young dancers with shoe changes. Young combo students should wear a pull-up if they are not potty trained.

Hip Hop/Funk is a 30-minute or 45-minute class offered to students 7 to 18 years old. Hip Hop is an upbeat style of dance performed to popular music. Although Hip Hop's roots came from urban street dancing, it has become increasingly popular in the entertainment world. Funk dancing is the perfect fusion of styles, incorporating jazz roots into a melting pot of hip hop, break, popping & locking, along with other fashionable dance genre.

Jazz is a 30-45-minute class offered to students 9 to 18 years old. Jazz is a style of dance that is structured in technique while taking many shapes and forms. It can be performed to a vast variety of style and music from Broadway to pop.

Jazz & Tumble is a 45-minute class for students 4 to 6 years old. This class will be a combination of first tumbling with various beginner acrobatic skills followed by an upbeat jazz/hip hop class. They will have no recital dance for tumbling. They will perform a jazz dance in recital.

Jazz/Hip Hop is a 30-minute class offered to students 5 to 9 years old. This class combines the upbeat dancing style of hip hop with the technique of jazz. All music selections and dance moves are age appropriate.

Leaps and Turns is a 30-45-minute class for ages 8 to 18 years old. This class is designed for students who want to improve the technique of their leaps and turns. Leaps may include (but not limited to) grande jete, saute chat, center leaps, switch leaps, and reverse leaps. Turns may include (but not limited to) en dehors and en dedans pirouettes, various turn progressions across the floor, and fouette turns. This class will not perform in recital.

Lyrical/Contemporary is a 30-minute or a 45-minute class for students 7 to 18 years old. Lyrical dance is a fusion of ballet & jazz dance techniques that uses dramatic motion to interpret music and express emotion. Contemporary dance is a style of expressive dance that combines elements of several dance genres including Modern, Jazz, Lyrical & Ballet.

Modern/Contemporary is a 45-minute class for students 13 to 18 years old. Emerging from classical dance technique, modern dance explores a range of styles and qualities of movement, including the use of gravity and weightedness in the body, musicality, athleticism, and personal expression.

Musical Theater is a 30-minute class for students 7 to 12 years old, which incorporates a combination of Jazz and acting. With this style of dance, you are working through Jazz technique while portraying a character. Using songs from Broadway, we focus on bringing out our inner actor/actress!

Pre-Ballet I & Ballet is a class for ages 6 & up. This class is divided into 6 levels (Pre-Ballet I to Ballet V) and students are placed by skill level. (*Younger students are encouraged to take a Combo Tap/Ballet class*). New students please contact the office for an evaluation appointment for levels II-V.

Pointe/Pre-Pointe is a class wherein the ballet dancer supports all their body weight on the tips of fully extended feet. Dancing en pointe makes the dancer appear weightless and sylph-like; this is done by wearing special box toed pointe shoes. Students are recommended for Pointe based on age and ability. A minimum of **two regular ballet** classes must be attended to dance en pointe, one of which must be the ballet class directly before pre-pointe or pointe. There is no recital for Pre-Pointe classes.

Tap is a 30-minute class that is offered for students 6 to 18 years old. This is a percussive style of dancing. Its name comes from the tapping sound made when the metal plates on the dancer's shoes touch a hard surface. (*Younger students are encouraged to take a combination class, see Combo.*)

Tumbling is a 30-minute class for students 3 to 6 years old. This class teaches the basics of floor tumbling including forward rolls, back bends, cartwheels and fundamental acrobatic strengthening and coordinating skills. There is no recital for Tumbling classes.

All classes (except Ballet I-V) are based on the student's age as of September 30th

ADVANCED & SUMMER CLASSES

Performance Company

Miller Street Dance Academy has established itself as the premier dance educator in the Fort Mill/Charlotte area. We believe this success stems from solid training and quality service. The Miller Street Dance Academy Performance Company focuses on technique, performance, community and character.

The Performance Company program provides dancers with solid technical foundations in dance, as well as prepares them for a career in dance, dance teams, theater performing arts, and educating them in the artistry of dance. This flexible environment accommodates the exploration of additional interests, however, is also suitable for the dancer who wants to solely focus on the art of dance by offering flexible performance opportunities and the option to take as many classes as your schedule allows.

Technique Classes

Summer Technique Classes are for ages 5 and up. These classes are similar to regular season classes and include dance styles such as tap, ballet, jazz, hip hop, lyrical, musical theater, and acrobatics. Summer technique classes are on a pay-per-class basis and there is no registration fee or recital. Students can purchase tickets or a summer pass to be used for any desired class on any day that is in their age level. Summer passes are good for all classes, except Ballet Intensives. These are a great way to continue dance through the summer and increase technical skills. Ballet Intensives are offered for all levels of Ballet. Please visit our website for details.

Summer Camps

MSDA offers themed dance camps for ages 3 to 8 during the summer. Camps are four days long and include activities such as dance, tumbling, hand painting, arts & crafts, and much more! Check out our website for our fun-filled themes or contact the office for dates. Summer sessions are available in July for 2.5-3.5 Combo, 3.5-4.5 Combo, 4.5-5.5 Combo, and Jazz & Tumble for ages 3.5-6 years old.

Bella Ballarina

BALLET PROGRAM

Mission Statement

MSDA prides itself on its ballet program. All students, beginner through advanced, receive hands-on instruction from teachers who are enthusiastic and use age appropriate techniques to impart a love for the discipline of this timeless art form. The curriculum uses elements from the Vaganova, Royal Academy, and Balanchine methods to emphasize technique, alignment, and musicality.

Ballet Levels

(Pre-Ballet I/Ballet I-V/Pre-Pointe/Pointe) At each age appropriate level, the curriculum teaches the fundamentals of classical ballet. Students benefit from the development of coordination, muscle strength, motor and listening skills along with the musical and spatial awareness that ballet offers. Six year-olds who have completed 5.5-6.5 combo or young 7/8 year-olds who might need an easier transition to our Ballet program, should register for Pre-Ballet I. Recommended Ballet level placements will be posted on the skills tab in the parent portal for all returning students. It is expected for a student to remain more than one year in a ballet level. New students will be evaluated for placement. Please contact the office to inquire about any placement questions. All students taking Pre-Pointe or Pointe must have a Ballet class that precedes the Pre-Pointe or Pointe class.

Class Attire

Pre-Ballet I, Ballet I-V:

Girls: Black leotard, pink tights, pink split sole ballet shoes, and hair secured neatly back in a bun. **Students are not permitted into class if they are not dressed in the proper Ballet attire.**

Boys: White fitted tee shirt along with black fitted shorts or jazz pants. The white shirt must be tucked in and boys must wear white socks with black split sole ballet shoes.

Pre-Pointe & Pointe: Black leotard, pink tights, pointe shoes, hair secured neatly back in a bun. Students may wear ballet skirts.

*Ballet shoes and pointe shoes must be sewn completely. Tights must be worn over the feet; no jewelry. Girls must wear a black sports bra if one is needed.

Proper attire for PreBallet-V

IT'S MORE THAN JUST DANCE!

Service Society

You are formally invited to join the Miller Street Dance Academy Service Society.

MSDA is committed to community service. We feel that a mixture of strong dance technique, good grades, and service to our community will build self-esteem among our dancers. A very small percent of our students will make dance a career, but 100% will go on to become citizens.

There are many ways to participate in our Service Society.

- *Dancers Against Cancer*
- *Donate to our Current Projects*
- *Sponsor a Service Project*

Any Miller Street dancer can be a member of the Service Society. All you need is an open mind, an open heart, and open hands. Please see the [Service Society](#) page of our website for more details including project applications and current projects you can contribute to.

Dancers Against Cancer

The Dancers Against Cancer (DAC) Foundation is a non-profit organization whose mission is to create an alliance in the dance community that provides financial support and inspiration to dance educators, choreographers, dancers and their families who have been impacted by cancer. Our very own Miss Michelle is a DAC Ambassador. This allows her the opportunity to travel the country raising cancer awareness and funds for DAC. MSDA is a proud DAC Hope Studio.

Homework Area

MSDA offers a student homework and study area. We would love all our dancers to make the Honorable Dancer roll (see below.) Food is allowed in the homework area with some exceptions. Students, parents, and third parties are prohibited from bringing food products containing nuts of any kind onto the premises of MSDA. MSDA cannot, however, guarantee that our premises will be free from allergens of any kind, including but not limited to food products containing nuts. We do ask that you be mindful of those students who use this space for school studies. Please see page 13 for details.

Honorable Dancers

MSDA recognizes the scholastic achievement of students that turn in report cards with all A's and B's. Students are recognized at the end of the year and will receive a medal for their achievement. Stop by the office and turn in a copy of your report card or email to infob@millerstreetdanceacademy.com by May 1st (this can be any report card received during the school year) to become a MSDA Honorable Dancer!

Class Schedule

For the most updated version of our class schedule please visit millerstreetdanceacademy.com and click on "Baxter Location" tab on our Home page and "Registration."

Schedule Changes

1. **Class Changes:** A student may drop and add classes depending on availability. To ensure proper costume orders, class changes will possibly require the purchase of an additional costume. Private lessons may be required for late registrants; this will be at the teacher's discretion.
2. **Withdrawals:** To withdraw a student from any MSDA class, you must notify the studio office and complete a Withdrawal Form. Failure to attend classes does not constitute a withdrawal. Students and their parents/guardians are responsible for giving at least 30 days' written notice of withdrawal, paying tuition and other fees incurred during this timeframe, and continuing to comply with the Handbook policy on payment and pick-up of costumes. MSDA will refund unused recital fees for withdrawals prior to February 28, 2025, and refund tuition payments for classes beyond the 30-day notice period (subject to MSDA's right to offset against outstanding unpaid balances), but no costume fees, competition fees, or other fees will be refunded. If a costume has been purchased for any withdrawn class and the student moves out of town, there is a \$25 shipping fee per costume.
3. **Waitlist Policy:** Students desiring placement in a full class will be placed on a waitlist. It is the studio's discretion to fill available spots. To be put on a waitlist, please log into your parent portal (if you are an enrolled student) or go to the registration page of the website (if you are not currently enrolled in our database) and click the word "Waitlist" for the full class that you would like to waitlist your dancer. While a credit card is required to create your account and be placed on the waitlist, your card will not be charged unless a spot becomes available and we have confirmed your dancer's enrollment and registration.

Student Class Placement

1. **Age Groups:** All classes (except Ballet I-V) are based on the student's age as of September 30th, no exceptions. A student may select a class in a younger age group but may not choose a class in an older age group. The instructors have the final say as to which class(es) students are placed.
2. **Pre-Ballet I:** Pre-Ballet I is for dancers 6 -8 years old. It is designed to prepare dancers transitioning from 5.5-6.5 Combo to our Ballet program. If you are unsure of whether your dancer should attend Pre-Ballet I or Ballet I, please call or email the office or email your dancer's current instructor.
3. **Ballet I-V:** Ballet I-V is for dancers 7 years old and up. Ballet levels are based on skill set and not age. Recommended Ballet level placements will be posted on the skills tab in the parent portal for all returning students. It is expected for a student to remain several years in the same ballet level. New students will be evaluated for placement (please call our office for evaluation time). See page 8 for more information on our Ballet program.

Student/Parent/Teacher Relations

1. **Contacting Instructors:** Instructors can be contacted via email. All emails are listed on the MSDA website (About Us / Our Staff). Please do not try to catch an instructor between classes. Class schedules are very tight, and our instructors would like to give your questions and concerns the proper attention.

3. **Phone Calls:** You may leave a message for a teacher at the studio. Do not call any staff member at home. Due to varied work schedules, emails are best.

Waiting Room & Lobby Rules

1. **For health and safety reasons and to cut down on the size of crowds, students should be dropped off in the main lobby and picked up in the lower lobby. Do not park your car or stop at 4-way stop signs to let your dancer out - this causes extreme traffic jams.**
2. **Hallways Must be Clear:** Per the Fire Marshal, there is no sitting or standing in the hallways. Please remain in the lobby or homework area while waiting for class to begin; we kindly ask that you exit the building once your dancer has gone to class.
3. **No Horseplay:** Parents are asked to keep students and waiting siblings from aggressive horseplay in the waiting areas.
4. **No Acrobatics:** Students should not perform any gymnastics in the halls or waiting areas.
5. **No Food:** No drinks, sodas, coffee, gum, or food of any kind in the main studio areas; only in the homework area. There is no guarantee that our premises will be free from allergens of any kind, including but not limited to food products containing nuts.
6. **Student Drop-Off and Pick-Up:** The premises of MSDA outside of the classroom studios are not supervised. **Students under the age of 7 may not be left unattended by a parent/guardian at any time before, after, or between classes. Students 7 and older must be dropped off and picked up on time** (no more than five minutes before class or five minutes after class). Due to traffic and other safety concerns, **parents must park and come inside MSDA to drop off students and they will be picked up at the lower lobby doors (please wait outside).** Students will not be released to older siblings under age 16. Parents/guardians are responsible for arriving on time for drop-off and pick-up, for coming into the building for drop-off and lower lobby pick-up, and for instructing their students not to leave MSDA's building without them. Students left more than 5 minutes past class end time will be charged a late pick-up fee of \$1 per minute.
7. **Parking Lot:** No student of any age should hang out in the parking lot without a parent present.
8. **Leaving the Studio:** No student under the age of 18 may leave MSDA's premises unattended by a parent/guardian. If a student is between 11 and 17 years of age, the student may leave MSDA's premises unattended by a parent/guardian (including but not limited to times between classes) **only if the student's parent/guardian signs an Authorization and Release for Unsupervised Student Dismissal.** This form is available in the office. This authorization is also required for students under the age of 18 who drive themselves to and from MSDA. Parents/guardians who elect not to give off premises authorization are responsible for telling their student(s) about their election and for ensuring that their student(s) understand they may not go outside of the MSDA building unattended at any time for any reason.
9. **Switching Classes:** Students in back-to-back classes that switch studios will be escorted by staff members to their classes.
10. **Time Between Classes:** **If a student is 7 or older and is participating in multiple classes on the same day,** the student may remain inside MSDA's building unattended by a parent/guardian between classes only if the student's parent/guardian signs **Acknowledgement and Release for Unaccompanied Class Transition.** This form is available in the office or on our website. Parents/guardians who elect to leave their student unsupervised are responsible for telling their student(s) they may not leave the building for any reason. Parents/guardians who elect not to sign the Acknowledgement must pick up their student between classes or stay with them.
11. **Courteous:** Please be courteous to fellow parents. Our waiting areas can become crowded and a little common courtesy can go a long way.

Homework & Snack Area Rules

1. **Quiet:** This is a quiet area for study. Please respect those focusing on their work.
2. **Proper:** Do not sit or stand on the study counters or furniture.
3. **Neat:** Please pick up after yourself.
4. **Food & Drink:** This is the only area that food and drink are allowed in. We encourage healthy snacks and require that all drinks be clear liquids (water, clear Gatorade, etc). In the event of a spill, please advise the front office so we can clean up the mess as soon as possible. No food or drinks, besides water bottles, are allowed in any studio at any time. **No one is to bring food products containing nuts of any kind onto the premises of Miller Street Dance Academy.** MSDA cannot, however, guarantee that its premises will be free from allergens of any kind, including but not limited to food containing nuts.

Personal Belongings

1. **Labels:** Please label all shoes, dancewear, dance bags, coats, etc. with the students **first and last name.** Please write your dancer's name on the bottom of their shoes. If not labeled properly, teachers will write your dancers first and last name on their shoes during the first few weeks of classes. If the item left behind is properly labeled, the studio will attempt to contact the parent and hold that item in the "pick-up drawer" located in the studio office.
2. **Lost & Found:** The lost and found is located in the Homework area. Items will be donated monthly **and** when the bin becomes overfull. Please check these bins regularly. MSDA is not responsible for lost or stolen items.

Anti-Bullying Policy

Purpose: Our dance studio is committed to creating and maintaining a sanctuary where peace, passion for dance, and mutual respect are paramount. We believe every individual has the right to learn and grow in a safe and supportive environment free from intimidation, harassment, and bullying.

Definition of Bullying: Bullying constitutes any repeated, intentional behavior that causes physical, emotional, or psychological harm to another individual within the studio. This includes, but is not limited to:

- Verbal abuse, such as name-calling, teasing, or making derogatory remarks.
- Physical aggression or intimidation, including unwanted physical contact or threatening gestures.
- Social exclusion or manipulation.
- Cyberbullying through digital platforms, such as social media, text messaging, or emails.
- Any other behavior that disrupts a student's ability to learn and feel safe in the studio.

Repercussions: The repercussions for bullying will be taken very seriously and can include the following progressive steps, depending on the severity and frequency of the behavior:

1. Verbal warning and discussion with the involved parties to mediate and resolve issues.
2. Written warning delivered to the parents/guardians outlining the behavior and future expectations.
3. Mandatory meeting with the student, parents/guardians, and studio director to discuss the behavior and potential consequences if it continues.
4. Suspension from classes and studio-related activities for a period determined by the studio director.
5. Permanent expulsion from the dance studio in cases of severe or unrepentant bullying.

Reporting and Addressing Bullying: We encourage all students, parents, and staff to report any instances of bullying immediately to the studio director or a trusted teacher. All reports will be taken seriously and investigated promptly and discreetly. Confidentiality will be maintained to the greatest extent possible.

We will work together with all parties involved to find a resolution that supports the victim, holds the perpetrator accountable, and maintains the integrity of our studio's safe and welcoming environment.

Commitment to Prevention: Our studio is committed to preventative measures through regular education on the impact of bullying, promoting a culture of kindness and inclusivity, and fostering open communication between students, parents, and staff.

Together, we can ensure our studio remains a place where every dancer can thrive and pursue their passion for dance without fear or reservation.

STUDIO POLICIES

Medications/Devices and Medical Insurance

1. All students with an emergency medication/device must comply with the following requirements:
 - The medication/device must be placed in a closed plastic baggie clearly labeled with the student's name and easy to understand written instructions concerning when/under what circumstances the medication/device should be used and how it should be used. The instructions in the baggie also must include the name and telephone number for two emergency medical contacts.
 - Students with a medication/device are required to bring the baggie to and from MSDA activities and, at all times while at MSDA, to keep the baggie in a gear bag on their person or, during classes, in the classroom.
2. MSDA does not carry medical insurance for its students.
3. ***MSDA does not render medical care, including medical diagnosis or treatment, to students or others, and any assistance MSDA staff may offer to students will be limited to responding to an emergency.***

Preparing for Class

1. Dancers are to enter the dance studio fully dressed for class with their hair properly pulled back (bun for Ballet) and proper dance shoes on. Please do not wear street shoes into dance rooms. Dance bags may be brought into the room or left in the cubby area. Combo classes (preschool through 6 years old) will need to have their tap shoes on each week when entering class. Please put ballet shoes in a dance bag that they will bring into class with them. Put your child's name on their shoes and bag. The teachers will help dancers change shoes in the middle of the class.
2. Please be sure all cell phones, smart watches and electronic devices are left in dancer's bags and have their ringers and sounds set to silent.

What to Expect Your First Week

1. The halls are very crowded the first few weeks of classes. This will settle down after the first few weeks.
2. There is a lot of switching around of classes as parents are trying to get settled in the new schedule of the year. Please be patient. Classes often have to change at the same time, so that dancers can go to the different subjects they are taking.
3. Like school, the first few weeks of class are review. This allows everyone to get comfortable with new classes and new teachers. Also, teachers can evaluate students to be sure they are in the correct class.
4. If dancers have been placed into classes that are not correct for them - don't worry - we will find a more suitable class!
5. Parking is the #1 complaint with parents in dance schools around the nation. This is something that can't be helped. Please be careful and watch for children!
6. It is best to get your dancer in class on time, ready to dance.
7. Please keep the hallways clear; dancers will be released in the lower lobby area for pick up.
8. The youngest dancers will often have tears or anxiety the first few weeks. This is normal. The teachers are trained to get children "on task" quickly. It is not uncommon to have a few dancers on a few hips the first month of class! The best way to ensure success is for parents to assure them they are going to have fun. Leave as quickly as possible and make sure the door is closed. Please keep noise down in the hallways and don't let siblings open or knock on the door. This will distract the dancers.
9. Please have all dancers use the bathroom before class. Teachers will gladly take them if they do need to go during class, but this can be a disruption. All young combo students should wear a pull-up if they are not potty-trained.

**Always stop by the office if you have questions or concerns.
Every staff member wants your MSDA experience to be positive and rewarding.**
