2025 RECITAL INFORMATION

The River Place – 1420 Convention Drive, Fort Mill, SC 29715

Recital

Monday Classes	Sunday, June 8 th at 12:00pm
Tuesday Classes	Sunday, June 8 th at 2:00pm
Wednesday Classes	Saturday, June 7 th at 12:00pm
Thursday Classes	Saturday, June 7 th at 3:00pm
Friday/Saturday Classes	Saturday, June 7 th at 6:00pm

- Before you leave the studio with your costumes, please be sure they fit – we will not have time for repairs during the week of recital. Your costume will include tights that are to be worn in the show, please do not wear these tights to picture week. If your dancer needs to wear a bra under a costume, straps cannot be showing. A strapless bra or proper sewing must be provided **by parents or guardians**.
- Bring all garment bags for that particular show – costumes in garment bags will be the only thing to bring to the recital. EXAMPLE – if they have three dances in the same show, they should have three garment bags at check-in; two with costumes inside and one empty bag (for the costume they are wearing for their first dance).
- All 2.5-3.5 year-old classes performing *You've Got a Friend in Me*, *School Days* or *Morning Person* will not need to bring their bag or tap shoes since they are only performing in one routine – please be sure they have on their **ballet** shoes. You will pick up your dancers at the check-in area as soon as they have finished. If you want to take them back into the auditorium to watch the show after they have danced, you will need to bring a change of clothes, as there are **no dancers allowed in the auditorium in costume**.
- 3.5-4.5, 4.5-5.5, and 5.5-6.5 Combo classes will do their tap dance first. **IF** Combo is their only class or it's their first dance of the show, they will bring that empty garment bag **with the hanger and their ballet shoes** in the bottom of the bag and we will change their shoes backstage. Remember - they are coming to recital in show order and not class order. Please do not bring any extra items or they could get lost.
- Parents are in charge of changing their dancers into their costumes **if they have multiple dances per show**. Miller Street staff will not be assisting your dancers with costume changes. All costumes will stay with the parents – do not send any backstage. Your dancer could only have a few dances to get changed and back in line, so please be sure to change your dancer quickly.
- For costume changes - once your dancer has performed the first dance, they will be released into the auditorium on the right side. There you will meet your dancer with the next costume and assist her in the curtained dressing room provided on the right side of the auditorium; do not take them into the restrooms. Boys will change in the men's restroom in the lobby.
 - After you finish the costume change, your dancer will be taken by one of our staff to the backstage area to get back in line. You do NOT need to go through the lobby to check back in.

- All dancers remain backstage with us and get their trophies at the end of the Act. We do ask that you stay seated for the remainder of the Act, as all of our dancers deserve to have a full audience as much as possible.
 - If your dancer is absent from the recital or leaves early for any reason, we unfortunately will not have any trophies to give out after the recital.
 - Dancers who are 3.5-12 years old will be picked up at the end of the Act in the auditorium on the right-hand side. To avoid congestion, please have just one adult present to collect your dancer.
 - Dancers who are 13+ can check themselves in and out at the end of the Act without a parent.
-
- No videotaping is allowed during the recital on any device. Your recital fee includes a downloadable link to your dancer's show – this will be emailed to you approximately four weeks after recital. Order forms are provided if you want to order a professional DVD of the show. These are \$45 for the first show and \$15 for each additional show (DVD's are not included in your recital fee). Click [here](#) to go to our digital form.
 - Photography will be permitted during recital; no flash please. Remember to please be courteous of others when taking pictures – please do not stand up as there are others enjoying the show.
 - Please do not stand up when dancers are performing, If you must go in and out of the auditorium, please do so between numbers. Additional movement is distracting to other people in the auditorium, as well as the videographer.
 - **ALL** accounts are to be paid in full in order for your dancer to participate in the recital. If you have a question about your account, please check with the office.
 - Class pictures will be taken March 17th through 22nd during your dancer's regularly scheduled class (see attached sheet for further details). During this week, we will be taking individual pictures as well. You will be able to order these pictures through the photographer's website – you will receive an email and/or text from the photographer on Monday morning (March 24th).
 - Please do not post any video of MSDA dance classes on YouTube or any other public social media sites. Posting a video of children and teachers without their written consent is not sanctioned by Miller Street Dance Academy. Please be respectful of other people's children.
 - Each year we have people that either don't show up or tell us the week of recital that they are not dancing. This messes up dances for everyone else that has worked hard. Please be courteous and make sure your dancers are at their show(s). If you can't make it, it's never too late to let us know so we can try to re-work the routine.
 - Miller Street Dance Academy is not responsible for lost or stolen items at the recital venue.

Miller Street Dance Academy Picture Week – March 17th-22nd

Due to space limitations and safety, no parents allowed past the check-in area this week

1. All American Imaging will be onsite this year during Picture Week.
2. Picture Week is a fun week to get dressed up in costume and get class group photos as well as individual photos. If you would like sibling pictures taken, please let us know when you check in your dancers. You are under no obligation to purchase photos, unless you need it for a program book ad.
3. Dancers will be checked in at the front entrance and picked up at the LOWER lobby (same process we do on a daily basis) and we will get them to their room with their classmates.
4. Bring your child dressed in their first **class** costume. Have hair and makeup done as instructed when costumes were distributed. We will not be responsible for your child's hair or makeup. Dress your dancer in the order of their **CLASSES** for that day and NOT the order of the recital lineup. Only bring the costumes for that class day.
 - a. 2.5-3.5 Combo & 3.5-4.5 Combo - wear ballet shoes
 - b. 4.5-5.5 Combo & 5.5-6.5 Combo - wear tap shoes
5. Students with multiple classes on the same day - do not merge costumes into one bag - each costume should have its own bag. You will have one empty bag, which will be for the class they have first that day.
6. Dancers will be provided a place to change costumes if they have more than one class on that day.
7. Please don't be late for class. We would hate for anyone to be left out of the group picture. There will be no make-up day for group pictures. Dancers without costumes will not be in the group photo (exception is Tumbling). If your dancer will not be attending this week, please let the office know immediately, so we can let the teacher know. We ask that you be patient with us, as we will try to finish on time, but some of the larger classes may run a few minutes over. Other classes may run early and then will be free to be released to a parent - so we encourage you to wait in the parking lot or come back early.
8. The photographer will send an email and/or text with a link to view and purchase photos on Monday morning (March 24th). This is a great time to purchase a photo for a program book ad!
